

- **Caitiff**
  - *“a contemptible or cowardly person”, “wretch”*
  - Baron Valtrith’s right hand.
  - New Head Cultist.
  - The darkness elemental that imbued a Doom weapon has taken over the husk of Serenity’s body.
  - There is no humanity left.
  - Slightly insane - not giggly insane, but scary insane. (Crazy eyes? Or dead eyes?)
    - Psychopath
      - Bold
        - Low fear, low stress, toleration of unfamiliarity and danger
        - Self-confident and assertive
      - Disinhibition
        - Poor impulse control
        - Poor planning and foresight
        - Demands instant gratification
        - Poor behavioral restraints
      - Meanness
        - Lacks empathy and close attachments
        - Disdains close attachments
        - Uses cruelty to gain empowerment
        - Exploitative tendencies
        - Defiance of authority
        - Destructive excitement seeking
    - No empathy or remorse.
    - Takes apart zombies and skeletons to learn more about the body that it inhabits now.
    - Dissects other creatures too?
  - Learning the extent of the power it can wield in the new body and gets more powerful, more proficient as time goes on.
